Long Distance Trails Crew
2015 Annual Report

Long Path
Harriman State Park, NY

- Replaced and leveled four stepping stones across Lake Skannatati inlet stream crossing

A person wearing a white hard hat and a green long-sleeved shirt is bent over, working on a dirt trail in a forest. The person is using a tool to clear or level the ground. The forest is dense with trees and sunlight filters through the canopy. In the background, there are some tools and equipment lying on the ground.

Long Distance Trails Crew
2015 Annual Report
